

## Reliable & Highest Quality

LINTEC is pleased to introduce a new lineup of **low-solvent ink jet printable materials**.

LINTEC's **SSJ** (Soft Solvent Jet) Media are ideally suited for making **clear film displays for glass**, as well as **labels and decals**.

LINTEC's clear printing and mounting films are produced in state-of-the-art **clean facilities**, ensuring that your window graphics and glass decorated products will be of the **highest quality**.
